Form Builder: Display Form ZMDA_PO_FORM

The screenshot shows the SAP Form Builder interface for the form ZMDA_PO_FORM. The top navigation bar includes icons for back, forward, search, and various form-related functions. The title bar displays the form name 'ZMDA_PO_FORM' and status 'Active'. Below the title bar, there are tabs for 'Properties', 'Context', and 'Layout', with 'Properties' currently selected.

The main area contains two tables:

- Interface:** A table mapping fields to descriptions. One row, 'ITEM' with value 'PO item print table type', is highlighted with a red border.
- Property:** A table showing general properties and type information. The 'Type Name' field is also highlighted with a red border.
